- sclerotherapy or any potentially cosmetic surgery
- an MRA, MRI, PET or CT Scan
- chemotherapy or radiation (new course)
- home health, hospice care or medical equipment

- outpatient therapy after inpatient therapy.

Also, you must notify Medi-Call of a pregnancy during the 1st trimester to avoid a financial penalty.

Although your doctor may call Medi-Call, it is your responsibility to see that it is done. Remember, there are penalties for failure to call Medi-Call. Refer to your *Insurance Benefits Guide*, beginning on page 39, for more information.
